

Pass It On - lyrics

It only takes a spark to get a fire going,
And soon all those around can warm up in its glowing;
That's how it is with God's Love,
Once you've experienced it,
Your spread HIS love to everyone
You want to **pass it on.**

What a wonder time is spring,
When all the leaves are budding
The birds begin to sing, the flowers start their blooming;
That's how it is with God's love,
Once you've experienced it.
You want to sing, it's fresh like spring,
You want to **pass it on.**

I wish for you my friend
This happiness that I've found;
You can depend on me
It matters not where you're bound,
I'll shout it from the mountain top
I want the world to know
The Lord of love has come to me
I want to **pass it on.**

I'll shout it from the mountain top
I want the world to know
The Lord of love has come to me
I want to **pass it on.**
PASS IT ON ! PASS IT ON !
